

Setting up your online payment option:

1. From our website, choose “Pay for Training”
2. Sign in or Sign up!
3. Once you’re at your “info” page, click on ONLINE STORE in the upper right hand corner
4. In the black bar, you have 3 options:
  - Series and Memberships - pay for one month
  - Gift Certificates and Credit - to purchase Gift certificates someday, not set up yet.
  - Contracts and Packages - to set up monthly auto pay. The default time period is 12 months.
5. Select your item, if choosing the one month series option, you’ll need to pick “classes” or “kids”
6. Make your purchase
7. Check that your “Shopping Cart” is correct and then CHECKOUT
8. Enter your CC or debit information and place order.

\*\*Adults with kids will have to go through the process twice, once for CF classes, once for CFKids.

\*\* You’ll notice sales tax which we regretfully need to start charging. Apparently there has been a change to the WA tax code regarding training services.

PLEASE If you have questions or concern, let me know! We can also set this up at the gym, I’m happy to do it for you.
